

Hindu Youth

Hindu youth has been participating in Youth Parliament of World's Religions (PoWR). *Youth PoWR* is by youth, for youth, with youth. It is planned by a team of young people from various state and national peak religious bodies (the "Cabinet") who met every month to arrange venue, speakers, process, catering and promotion; they do all the preparatory work and run the event. The speakers and the performers are all youth. The audience participants (the "Members

of Parliament") are also all youth.
