

Most religious groups world over, not just in Australia, have Councils that represent their interests in front of government bodies, other organisations and the public in general.

The Hindu Council of Australia is the apex body for all Hindus in Australia, Similar councils have been established and operating effectively in the U.K. and elsewhere.

### **Operations and relation with Member Associations.**

The [\*is generic viagra from canada safe\*](#) Council will not interfere in the internal affairs of member associations.

- Each Australian State will have a sub-branch of the Council. One or two delegates from each State shall be nominated by the local associations to represent the State.
- The central body will coordinate the activities of all its State branches, which will be represented in the overall national body. The national body will directly interact with the Federal government departments and officials.
