

Hindu Council of Australia is a federation of Hindu organizations and has members in every state. As many Hindus have moved to and started living in rural towns, Hindu Council is starting a "Rural Outreach" program to reach Hindus in these small towns and help them to stay in touch with our culture and to bring forth the issues being faced by them.

If you are living in a small or a rural town Hindu Council would like to hear from you. we encourage you to meet as a group to celebrate upcoming festivals. Doing it at someone's home is a good start. Please do send me a para or so and a few pictures for posting on our web site and news letter if you are already doing so or want to start doing so now. A list of upcoming festivals is available on our web site www.hinducouncil.com.au as well as a description of each festival and how it is celebrated.

If you find an interest, one of Hindu Council representative from a city near you can visit your town and help start a formal Rural Outreach Group of Hindu Council of Australia. In the meantime, if you can send some information about your town, that would be great for us to know about the community there. You can sign up for our regular news letter by entering your name and email in Subscribe to Newsletter form.

Please contact us using the form below. If you would like to start a Rural Outreach Group of Hindu Council in your town, we would love to hear from you too.
