

Renowned film artist Sudipto Sen has made a new film titled 'In the Name of Love-Melancholy of God's Own Country'. A screening of the film was organised by Global Indian Foundation and Vivekanand Vihar Manch of Jawahar Lal Nehru University in Delhi. The film focuses on the issue of 'love jihad' and religious conversion of girls in Kerala and is based on a true story.

Members of Jawaharlal Nehru Students Union and Gender Sensitisation Committee Against Sexual Harassment disrupted the screening. The organizers of the screening in a statement said: "After disrupting the screening of the movie at Sabarmati dhaba, the left-wing protesters grievously injured a guard intentionally."
