

Hindu Council shows solidarity with Christchurch victims at Sydney Alliance

By: Surinder Jain.

The Sydney Alliance brings together diverse community organisations, unions and religious organisations to advance the common good and achieve a fair, just and sustainable city. They had organized a meeting of the community to show support for Islamic community after the Christchurch tragedy.

Hindu Council was represented by its National Vice President, Surinder Jain. Besides Christians, Muslims and Jews, there was a representation from Hindus, Buddhists and Sikhs.

There were two Muslim speakers, one a professor from USA and another a professor from an Australian University. They both talked harmony, peace and about how Muslim community is still in shock & scared to speak out. Surinder told the speakers during question answers that Hindu Community in Australia is in solidarity with the Islamic Community in this hour of crisis.
