

Spoken Sanskrit workshop in Sydney

HCA in association with Sydney Sanskrit School has planned a basic Spoken Sanskrit Workshop on 16 and 17 June in Sydney.

This is a basic language course. The objective of this course is to give students a taste of Sanskrit as a living language by introducing them to its basic grammatical structures so that they can start understanding simple texts as well as allow them to use it in daily life. It also seeks to give participants an understanding and appreciation of the beauty of the different aspects of this language from its sounds to its rich content so that they feel enthused enough to probe further into it. This is a good opportunity.

You may attend both days or single day. Please contact Meenakshi Ji (0423 457 343) for Sat 16 June and Radha Kishan Sharma Ji (0426 547 347) for 17 June for registration and for further details about location and timing, please see attached flyer.
