HCA CONDEMNS TERRORIST ATTACKS IN SRILANKA

The Hindu Council of Australia condemns the senseless massacre of innocent worshippers and travellers in Sri Lanka on Easter Sunday.

Christians and people of any faith must be given their right to devote their prayers for specific occasions marking important moments of their religious heritage.

The world must unite to take strongest measures to allow men and women of all faiths to pray safely not only at their own religious institutions but also anywhere in the world.

We pray that the injured are quickly restored to good health and mourn for those who the world has lost.
