

BHOODAN YAGNA

What is the Bhoodan Yagna?

An initiative inviting you to contribute to the establishment of the first independent Hindu school in Australia. Your contribution of \$3000 is equivalent to **1 square metre** of land and you are encouraged to contribute as many **sqM's** as possible in this Maha-Yagna, benefitting all society.

Why should I get involved?

Become a catalyst for positive change! Not only does it help raise crucial funds for the school's establishment but also creates a tangible connection between you & the physical space of our educational endeavour. Those contributing through the Bhoodan Yagna will become **Associates** of HEACC.
