Congratulations to the Australian Labor Party

On behalf of the Hindu community in Australia, the Hindu Council of Australia extends its heartfelt congratulations to the Australian Labor Party on its landslide victory.

This resounding mandate from the Australian people is a testament to the trust placed in your vision, leadership, and commitment to building a more inclusive and prosperous nation. As the peak national body representing Australian Hindus, we recognise the importance of strong, values-driven governance that champions fairness, multiculturalism, and social cohesion.

The Hindu community has long shared the values of hard work, education, mutual respect, and service to society, which align deeply with Labor's vision for Australia. We are confident that your continued leadership will strengthen Australia's vibrant multicultural fabric and ensure that the voices of all communities, including the Hindu diaspora, are heard and respected.

We look forward to engaging with your government on matters important to our community, including cultural inclusion, religious freedom, youth development, spiritual care, education, and protection against hate and vilification.
