Namaste

We are pleased to share that the Hindu Council of Australia is now entering a crucial phase in delivering a generational vision, a **Hindu Bhavan** in the heart of Parramatta.

With **62 Macarthur Street** already acquired, we are now finalising the purchase of the adjoining **64 Macarthur Street**, creating a **combined site of 2,694 sqm** for a purpose-built, multi-level Hindu Bhavan.

How Your Organisation Can Support This Vision

We recognise that member organisations vary in size and capacity, and that support can take many forms. We warmly invite you to participate in one or more of the following ways:

After careful consultation and professional guidance, the structure for land acquisition has been finalised as below

Loan (Interest-Free or Interest-Bearing)

Support the land acquisition by providing an interest-free loan, which will be:

- Legally documented
- Prioritised for repayment post-construction

Donation and Sponsorships

Donations of any size are welcome. Significant contributors will be considered for:

- **Naming rights** to rooms, classrooms, or cultural spaces
- Name listed on the **Donors wall**

Partnership for Shared Development

Like-minded cultural, educational, or service-based organisations can co-develop and co-share space in the final centre, based on:

- Shared infrastructure use (kitchen, halls, classrooms)
- Customisable space agreements and scheduling

This is a unique chance to build a long-term base for your organisation within a larger cultural ecosystem.

We would be pleased to meet with your organisation to discuss these options and tailor a plan that suits your vision and capacity.
